

Coaching Opportunities Season 2010/11

Head Coach
Assistant Coach

Halton Hurricanes are a Burlington, Ontario based competitive (OVA) Volleyball Club with girl's teams from 12U to 18U. We are expanding our program this year and as the demand for elite programs grows so does our need to recruit quality coaching staff.

Interested applicants should have a solid understanding of the game as it is played at the senior high school level as well as the requisite physical coaching skills necessary to participate in on-court training. Previous coaching experience at the club/school level is an asset.

Ongoing training will be offered to successful candidates including NCCP certification courses and coaching symposiums. The Hurricanes believe strongly in fully supporting and advancing our coaches. Honorariums are also available based on the amount of time and effort the successful applicant has committed to the program.

Interested applicants should apply by email: coaches@haltonvolleyball.com
Please include your name, address, contact info (email & phone) and a brief outline of your coaching experience.
